- next

INTERPERSONAL SKILLS

- Time management
- Communication,
- Teamwork
- Problem Solving,
- Adaptability

PROJECTS

E-commerce Platform & Admin Dashboard

Developed two versions of the e-commerce and dashboard system: one using Context API and Fetch for mock APIs, and another using Zustand, Axios, and Node.js for full real back-end integration. Includes authentication, cart, checkout via Stripe, admin product/user management, and analytics.

Hotel & Flight Booking Website

Dynamic booking system with search, filtering, and reservation flow. Fully responsive with smooth UX and mock API integration using .

Restaurant Reservation System

Responsive site with booking features, customer testimonials, and tour listings. Developed with React & Tailwind.
